

Tarica June-Gone (FWMYKIGI Freestyle) From The Stream Of Consciousness Mixtape

[youtube id="mgIt7bh2PaA"]

[Tarica June](#) is an emcee from Washington D.C. who isn't afraid to embrace the boom-bap with her breathless lyricism and dense beats. "Gone" is her freestyle over Jay-Z's and Rick Ross's "F*ckwithmeyouknowIgotit" and her delivery is another shot against the never-ending meme that "Hip-hop is dead." The song is from her downloadable [Stream Of Consciousness](#) mixtape.
