

Noel Gourdin-No Worries Remix Feat. Hil St. Soul

[youtube id="W2P6_2RDfRU"]

Noel Gourdin's remix of "No Worries" has the added benefit of UK soul singer Hil St. Soul. The two of them mesh well on the uptempo song from his *City Heart, Southern Soul* album. And it's also a nice return of Hil St. Soul who will be performing her Unplugged show at the Cutty Sark Studio Theatre in her homeland next year.
