

# Apollo Brown & Rass Kass-How To Kill God

## [Blasphemy by Apollo Brown & Ras Kass](#)

The midwest meets the west again on the [Blasphemy](#) collaboration album from Detroit producer Apollo Brown and California veteran Rass Kass. “How To Kill God” is all about taking apart the western concept of the divine. Not since the almost exclusive combination of Black Milk and Bishop Lamont on the Caltroit project has there been such a substantial meeting of the two areas.
