

Straight Outta Compton Red Band Trailer

[youtube id="OrlLcb7zYmw"]

Ice Cube and Dr. Dre introduced the Red Band Trailer for *Straight Outta Compton* in a commercial during the Grammy Awards. Later that evening the trailer for the F.Gary Gray directed biopic appeared online. The film is the story of how N.W.A. helped invent gangsta rap and influenced generations of rappers. *Straight Outta Compton* will be in theaters August 14th.
