

# Sean C. Johnson Releases Circa 1993

[CIRCA 1993 by Sean C. Johnson](#)

Sean C. Johnson is a gospel artist from Oklahoma with a very secular sonic approach to his music. *Circa 1993* is his new soulful album based around 4 of the most important events in his life including the death of his mother, his love of music, the first time he viewed pornography and becoming born again. You can name your price and download *Circa 1993* and receive his message without feeling browbeaten into a belief system.
