Incognito founder and leader Jean-Paul "Bluey" Maunick released his second solo album *Life Between The Notes* today. "Saints & Sinners" is from the collection of songs produced and arranged by Bluey, Richard Bull and Graham Harvey. The follow-up to his 2013 *Leap Of Faith* is more of the jazz/R&B/disco sound that he made popular with Incognito. [Life Between The Notes](#) is available via iTunes.
