

Stacy Barthe-Flawed Beautiful Creatures

[youtube id="ysPYLjw8dp8"]

Stacy Barthe's "Flawed Beautiful Creatures" from her 2012 *P.S. I Love You* EP gets a video of Barthe in the background with a fluid dancer in the foreground. The visual gives the song a renewed appeal in time for its reappearance on her *BEcoming* debut album coming out on Motown July 10th.
