

Daye Jack-First Glitch Album Stream

Atlanta rapper Daye Jack's *First Glitch* debut album came out today and you can stream it at Spotify or download it at his [site](#). Jack released his first mixtape, [Hello World](#) last year and gave it away on Soundcloud. He's a computer programming student at NYU but his left field hip-hop might become his primary career. You can watch his video for "Easy" [here](#).
