

# Rapology Is A New Free Hip-Hop Trivia App

Rapology is a new free hip-hop trivia app for iPhone and Android users. The app has questions for old school and new school rap fans and covers all areas including East Coast, West Coast, Midwestern and Dirty South styles. High scores unlock pop quizzes and final exams where users can learn rare facts about their favorite artists and access exclusive content. Many artists are set to regularly contribute to the Rapology platform offering free album streams/downloads and more. The first artist to be highlighted is Brooklyn beatsmith Marco Polo ([click here](#) to watch an exclusive Rapology interview with Marco and [click here](#) to watch Marco play Rapology) and St. Louis battle rapper Ooops. Rapology offers a multiplayer option for trivia battles and users can submit their own questions for possible inclusion in the game.
