

The Black Eyed Peas-Yesterday Official Video

[youtube id="anJYoItYeyM"]

The Black Eyed Peas minus Fergie flaunt their proud nostalgia in “Yesterday” and film the video in a record store while acknowledging past rap heroes. Black Sheep, Queen Latifah, Digable Planets, Run DMC, A Tribe Called Quest, Pete Rock and CL Smooth, Nas, N.W.A. and Ol’ Dirty Bastard are some of the album covers they present and infiltrate in their remembrance of favorite rap moments gone by.
