

Paul McCartney & Brittany Howard-Get Back

[youtube id="oGnN0GvfJe4"]

Alabama Shakes frontwoman Brittany Howard got to share the stage with headliner Paul McCartney during Lollapalooza in Chicago this past Friday and together they sang "Get Back." The Alabama Shakes had performed earlier in the day and McCartney brought Howard to the stage as a surprise for the crowd so he is clearly a fan of her band. McCartney also gave his first live performance of the Rihanna, Kanye West collaboration "FourFiveSeconds."
