

Illa J-All Good Featuring Moka Only & Ivan Ave

“All Good” is another early listen from Illa J’s self-titled second album and this song has guest verses from Moka Only and Ivan Ave. The downtempo track about reaching one’s aspirations is another example of the Potatohead People’s love of “70s and ’80’s R&B. You can pre-order the album via [Bandcamp](#) and get instant streaming of four songs.
