

Judith Hill's Debut Album, Back In Time, Set For Release On October 23 On NPG Records

Judith Hill's *Back In Time* debut album will be released on Prince's NPG Records October 23rd. The album was first made available back in March when Live Nation gave it away to its newsletter subscribers for 48 hours. Hill and Prince co-produced *Back In Time* and she opened for him during his spring 2015 tour. She was also one of the featured vocalists in the Grammy-winning documentary *20 Feet From Stardom* alongside Lisa Fischer, Merry Clayton and Darlene Love. You can watch behind the scenes footage of Hill at the Paisley Park [here](#) and her first single, "Cry Cry Cry" is streaming on [Tidal](#).
