

Mi'das - Feels Like Only Yesterday

[youtube id="GBke7pcPrCE"]

British R&B singer Mi'das is getting ready for his early 2016 debut album *All Inside Your Head* with the release of "Feels Like Only Yesterday." The Stevie Wonder-influenced single is an ode to the carefree innocence of youth and a focus on his guitar. Mi'das recently performed a live acoustic version of "Feels Like Only Yesterday" with Christian Tierney and can be viewed [here](#).
