

Van Hunt Releases Free Association EP

Van Hunt just released his four-song Free Association EP and it's available for free download at his [site](#). It's been a good year for Van Hunt because he released The Fun Rises, The Fun Sets and now the Free Association EP which he describes uses a quote from the famous psychoanalyst Sigmund Freud:

"The importance of free association is that the patients spoke for themselves, rather than repeating the ideas of the analyst; they work through their own material, rather than parroting another's suggestions."
