

L'Orange & Kool Keith-The Green Ray Official Video

[youtube id="r7DcMC0u71Q"] L'Orange and Kool Keith's abstract video for "The Green Ray" is a melange of UFOs, analog equipment, anime and spaceships that move in time with the lethargic saxophone and b-boy rhythm. The song and video are more of Keith's longstanding Afrofuturist style where past, present and future are mediated by technology and the boom-bap. "The Green Ray" is from L'Orange's [*Time? Astonishing!*](#)
