

Amp Fiddler Boiler Room Detroit Live Set

[youtube id="Aoh8A8bQuZ0"] Amp Fiddler's Â Detroit set for the Boiler Room is a mix of his R&B, house and funk re-created with his mini studio and a DJ /Live PA of his favorite funk jams. The keyboardist, who has been a member of George Clinton's band among other things, released his third [*Basementality*](#) EP this past summer and just performed in Detroit's Thanksgiving Parade.
