

Tall Black Guy Productions Presents Yusuf Rumperfield's Jazz In Motion

<https://soundcloud.com/tallblackguyproductions/yusef-rumperfield-jazz-in-motion>

Yusef Rumperfield is the newest member of the Tall Black Guy Productions label and "Jazz In Motion" is a celestial hip-hop instrumental from his self-produced unreleased album of the same name. Rumperfield's cross-genre sound is in the same family as Detroit house producer Moodymann. You can stream and buy the album from Rumperfield's [Bandcamp](#) page.
