

BJ The Chicago Kid Salutes D'Angelo With 3-Song EP

BJ The Chicago Kid wanted to start the year by paying tribute to D'Angelo's R&B/soul genius by covering three of his songs in an EP. The *16th Anniversary Of Untitled Salute to D'Angelo* is BJ The Chicago Kid's versions of "Untitled" and "Send It On" from D'Angelo's *Voodoo* album and Prince's "She Always In My Hair" from the singer's *Interpretations: Remakes* project.
