

Six Minutes 'til Sunrise-Let It Flow Feat. Kay

[youtube id="sGu7ksVMk6c"] Six Minutes 'til Sunrise is a soul trio from Houston, Texas comprised of Tanika Keys, Shawn Taylor and Ron Johnson. As individuals, they have built their resumes on the Apollo's stage and provided supporting vocals for a plethora of Grammy-winning artists. "Let It Flow" is their first single as a group and stylistically they use '70's soul, gospel, and a hip-hop feature from underground rapper Kay to tell the story of a special meeting. Their debut album will come out before the end of 2016.
