

Bilal-I Really Don't Care

[youtube id="y9CixV4hSak"] Bilal and video director Hans Elder have created the perfect look of apathy for "I Don't Care" from his Adrian Younge-produced [*In Another Life*](#). The lighting, the messy apartment and Bilal's listless carrying out of the day's activities is a perfect match for the lyrics and sparse production accented by Younge's pensive piano.
