

Raphael Saadiq Presents Jane Handcock's Truth Be Told

Jane Handcock usually works behind the scene as a singer-songwriter who has worked with people like Big K.R.I.T., Kelly Rowland and Teddy Riley. The Oakland, California native met Raphael Saadiq while working on Adrien Marcel's *7 Days A Weak* and he liked her style. Saadiq expresses his affection for her artistry by executive-producing her *Truth Be Told* mixtape. Marcel, who attended the Oakland School Of Arts with Handcock, appears on the mixtape with Saadiq.
