Raphael Saadiq Presents Jane Handcock's Truth Be Told

Jane Handcock usually works behind the scene as a singer-songwriter who has worked with people like Big K.R.I.T., Kelly Rowland and Teddy Riley. The Oakland, California native met Raphael Saadiq while working on Adrien Marcel's 7 Days A Weak and he liked her style. Saadiq expresses his affection for her artistry by executive-producing her Truth Be Told mixtape. Marcel, who attended the Oakland School Of Arts with Handcock, appears on the mixtape with Saadiq.
