

# Black Milk Announces European Tour And The Knock From The Rebellion Sessions

Black Milk is going on a European Tour in the month of May soon after the release of his jazz/funk album, *The Rebellion Sessions*. "The Knock" is taken from the instrumental project he recorded with his live band, Nat Turner. "The Knock" is a low-key piece of Latin rhythms that simmers in place. [The Rebellion Sessions](#) can be pre-ordered before its April 4th release.
