

Binary Star-Supreme Alphabet

[Supreme Alphabet \(explicit\) by Binary Star](#)

Binary Star released their new single, "Supreme Alphabet" today in anticipation of the *WE Binary Star* album coming out in the future. One Be Lo refers to the alphabet as learning the ABC's which in this case, means the concerns of All Black Children. One of the issues at hand is the urban violence directed at young Black men by the police and he references the Mike Brown incident. *WE Binary Star* will be the first album from One Be Lo and producer One Man Army since 2000's *Masters Of The Universe*.
