“Round and Round” was Tevin Campbell’s first single from his debut album *T.E.V.I.N.* Prince wrote “Round and Round” and Campbell performed the song in his *Graffiti Bridge* movie. Campbell’s first hit earned him one of five career Grammy nominations and his appearance in Prince’s rock drama bolstered his fame as an R&B prodigy. *Graffiti Bridge* was the sequel to *Purple Rain* and critics called it a weak film but the soundtrack and musical performances engaged Prince’s fans with his new funk/pop output. Tevin Campbell is releasing his new single, “Safer On The Ground” in 2016.
