

# Alicia Keys Debuts New Single In Common

[youtube id="5YwHRTCyrEo"] Alicia Keys is back with her new single ["In Common"](#) from her forthcoming sixth studio album. On her inspiration for the song Keys says, "We all have our issues, our challenges," she explains. "We are all kind of messed up and that's all right. In fact, that's what helps us understand each other. To me, that's is what is so beautiful." She will perform "In Common" on Saturday Night Live this weekend and on May 28th, she will become the first artist toÂ open the UEFA Champions League Final in Milan.
