[youtube id="9G5bNoL4CbU"] Robert Glasper and Erykah Badu are temperamental artists balancing their romance and artistic lives in the video for "Maisha (So Long) Extended Version." Glasper's [*Everything's Beautiful*](#) is an album of Miles Davis covers redone with Glasper's contemporary arrangements. "Maisha" is from Davis's 1974 *Get Up With It* which was further into his electric direction and interest in fusion. Glasper and Badu entertain while the ghost of Davis guides Badu's notes.
