

# Miss Sharon Jones! Official Trailer

[youtube id="t7eNSgCQzCI"] *Miss Sharon Jones!* is a documentary about Sharon Jones of the Dap-Kings directed by Barbara Kopple. The film follows Jones around in 2013 after she is diagnosed with cancer and after the release of the band's fifth album, *Give The People What They Want*. Kopple and Jones give the viewer a close-up look at how Jones faced the health crisis and returned to a career that other people told her would never exist. The film opens in New York on July 29th and goes nationwide in August. For more about the film go to [MissSharonJones.com](http://MissSharonJones.com).
