

Imperial & K.I.N.E.T.I.K. - Travel The Map Feat. Oddisee Soulseize Remix

UK hip-hop duo Imperial and K.I.N.E.T.I.K. get their "Travel The Map" single featuring Oddisee remixed by Swedish producer Soulseize. The remix sounds like bits of a Spaghetti Western infused with soul. The duo released their [Adventures In Technicolour](#) this past spring.
