

Sa-Roc-Queen Ting Official Video

[youtube id="u6cVBfNISnE"] Sa-Roc recently signed to Rhymesayers Entertainment and they have started a new series called Wisdom Wednesdays to debut new music from their newest female MC. "Queen Ting" starts the sequence and Sa-Roc is only filmed from the neck down in the video with a boombox, incense, Florida water and a candle for Oshun. The idea is to connect the words of a woman MC and not her physical looks.
