

The Robert Glasper Experiment-Find You

[youtube id="lzTflMPresE"] After scoring the Miles Ahead biopic and releasing the Miles Davis tribute album, Everything's Beautiful, Robert Glasper is getting ready to release his next album. "Find You" is the first song to leak from his *ArtScience* album and in the song you can hear a child talk about the need for better police conduct. *ArtScience* comes out September 16th and is already available to be [pre-ordered](#).
