

Pandora Partners With Questlove Introduces Questlove Supreme

Pandora has partnered with Questlove to present Questlove Supreme, a three-hour weekly show looking at music globally, interviews and conversations. Questlove will work as a Strategic Advisor and Artist Ambassador for Pandora to offer advice and support for artist initiatives and music products. Questlove Supreme premieres on Questlove's new Pandora station on September 7 at 1 PM EST and will replay for 48 hours each week. Featured guests include Saturday Night Live alum Maya Rudolph, GRAMMY-nominated producer and engineer Bob Power and Grammy winner Kimbra. The music featured each week will reflect the conversation topics. Check out Questlove's new Pandora mixtape [here](#).
