

Throwback: Somethin' For The People-She's Always In My Hair

Somethin' For The People hailed from Oakland, California and included members Curtis "Sauce" Wilson, Rochadâ Holiday and Jeff "Fuzzy" Young. Their quick moment on the '90's R&B radar as artists came after they released the karaoke-inducing "My Love Is The Shhh!" from their second album, *This Time It's Personal*.â A cover of Prince's "She's Always In My Hair" was on this album as they also acknowledged being influenced by theâ Minneapolis genius. â The success of "My Love Is The Shhh!" gave them songwriting opportunities with Will Smith and Adina Howard. A third album, *Issues* was released in 2000. Jeff "Fuzzy" Young died of a heart attack in 2011.
