

# Common-Black America Again Featuring Stevie Wonder

[youtube id="bURKiygUPow"] "Black America Again" is Common's new single featuring Stevie Wonder and the title of his upcoming album. The song is about Common's frustration with institutional racism and police brutality. The video starts with the clip of the Alton Sterling killing by the police in Baton Rouge, Louisiana. "Black America Again" is produced by Karriem Riggins and Robert Glasper and Esperanza Spalding, J Rock, MC Lyte, Chuck D and string provider Patrick Warren guest on the song.
