

Solange-Cranes In The Sky & Don't Touch My Hair Official Videos

[youtube id="S0qrinhNn0M"] [youtube id="YTtrnDb0QAU"] Last weekend, Solange released her third full-length album [A Seat At The Table](#). Two days later her videos for "Cranes In The Sky" and "Don't Touch My Hair" hit the internet. Both videos celebrate textured hair, multiple skin tones, fashion and have exceptional cinematography. She and her husband Alan Ferguson, co-directed each clip and used Arthur Jafa as the director of photography. Sampha appears in the video for "Don't Touch My Hair" singing his verses while dancing with Solange.
