Detroit rapper Journalist 103 has collaborated with fellow natives Guilty Simpson and One Be Lo on his new single "Felony." The trio rap about the government corruption and racism on the DJ Stresh-produced song. Journalist 103 got on the radar of non-mainstream hip-hop fans when he worked with Apollo Brown and DJ Soko as one-third of Â 2010's *The Left* project. *Battle For The Hearts And Minds* is his sophomore album coming out at the end of the month on Babygrande. Several Detroit rappers appear on the album including Clear Soul Forces, Nolan The Ninja, Willie The Kid and Marvwon.
