

Childish Gambino Releasing New Album Next Month

Donald Glover's Atlanta television just finished its first season and the actor/rapper/ is already preparing to release a new Childish Gambino album. *Awaken, My Love!* will be released on December 2nd but there is not much more information about the album other than the songs he performed during his Pharos Experience concert at the Joshua Tree park in California last month. Glover will also be busy getting ready for his role as Lando Calrissian in an upcoming *Star Wars* movie.
