

RED Distribution Announces Deal For Run The Jewels RTJ3

Run The Jewels have announced a direct deal with RED Distribution for their **RTJ3** album. The deal covers physical and digital distribution of the album in the US, Canada, UK, Eire and Europe (excluding Russia). **RTJ3** comes out in the US on January 13th and has an international release on January 20th. They have already shared a few singles from **RTJ3** and you can listen to “2100” below.

Run The Jewels also announced their Run The World tour which is their first full-scale North American tour since 2015. The Gaslamp Killer, MC Spark Master Tape and Killer Mike collaborator Cuz will join them on tour. Tickets can be purchased [here](#).
