

Tall Black Guy Remixes Donny Hathaway For The Holidays

Tall Black Guy remixes Donny Hathaway's "This Christmas" and renames the Sleigh Bell edit "For You This Christmas." The fullness of the original version is gone and TBG makes Hathaway sound like he's singing from a radio plugged into the afterlife. TBG just released his sophomore album, [Let's Take A Trip](#) and launched his [TBG Aliens](#) membership which allows fans to have access to all of his music for an annual fee.
