

Throwback: Tina Turner-Baby I'm A Star

[youtube id="lhth4hzWX8w"] Tina Turner recorded Prince's "Baby I'm A Star" for a 2000 Target commercial. The song was also included on the retail chain's exclusive *All That Glitters* CD. Turner's backup singers were already performing "Baby I'm A Star" on Turner's Target-sponsored Twenty Four Seven world tour that year. She added it to her playlist for the tour and again for her 60th birthday concert DVD, *The Best Of Tina Turner Celebrate!* Prince was one of Turner's peers in the ~80s and she was a fan of his music. Turner was also known to cover Prince's "Let's Pretend We're Married" on some of her tours and one of those versions is included on *The Collected Recordings – Sixties to Nineties*.
