

MED, BLU & Madlib: Get Money Feat. Frank Nitty Official Video

[youtube id="jaMWmgrtYpg"] MED, Blu and Madlib debut their video for "Get Money" with Frank Nitty from their [Bad Neighbor](#) project. The three of them minus Madlib hang out on the street and use an ice cream truck to make profits selling ice cream and CDs. They complete their money mantra in the video with a dark comedic reference to Donald Trump.
