

Sharon Jones & The Dap-Kings- Please Come Home For Christmas Official Video

[youtube id="uuuK54ItvGY"] Sharon Jones passed last month after battling pancreatic cancer but there were plans made for the "Please Come Home For Christmas" video. Jones and the Dap-Kings are claymation figures bringing the holiday spirit in song outside on a snowy night. "Please Come Home For Christmas" is from their 2015 *It's A Holiday Soul Party!* album. The documentary, *Miss Sharon Jones!* will be available on Netflix next month.
