

J. Dilla's Jay Deelicious Is Now Available As A Cassette Box Set

J.Dilla's three-year run on Delicious Vinyl has been packaged into a double cassette called *Jay Deelicious 95-98: The Delicious Vinyl Years Originals, Remixes and Rarities*. The compilation was originally released on vinyl in 2007 but is now available on cassette. Dilla's production work on The Pharcyde's sophomore album, *Labcabin-california* launched his career as an important hip-hop figure. Dilla also remixed music for The Brand New Heavies and their former lead singer N'Dea Davenport. Jay Deelicious was originally released on vinyl in 2007 but it is now being offered in a cassette form as a box set for the first time exclusively from [Get On Down](#).
