

Solange Breaks Down Cranes In The Sky For Song Exploder

<https://soundcloud.com/hrishihirway/song-exploder-solange>

Solange talks to Hrishikesh Hirway of *Song Exploder* and tells the story behind “Cranes In The Sky.” A beat tape from Raphael Saadiq is what started the process and eventually become the finished creation that has helped lead Solange’s *A Seat At The Table* into the hearts of fans, critics and her first Grammy nomination.
