[youtube id="CDUrpPvU1_4"] Gorillaz are in the political moment that's taking place in the United States with Donald Trump's incoming presidency and "Hallelujah Money" is their observation of the event. English singer Benjamin Clementine is featured on "Hallelujah Money" and he is filmed singing from Trump Tower. The band describes the song and video as a "lightning bolt of truth in a dark night" on their [Twitter](#) page. A Gorillaz new album will be released later this year.
