

# Big Sean On SNL

[youtube id="b9U5nIavvCg"]

Big Sean made his Saturday Night Live debut last night and performed "Bounce Back" and "Sunday Morning Jetpack" from his *I Decided* album. It was the first time "Sunday Morning Jetpack" had been heard by fans and most were struck by the personal and spiritual nature of the lyrics. The Dream produced "Sunday Morning Jetpack" and *I Decided* will come out February 3rd.
