Karriem Riggins' *Headnod Suite* comes out on Stones Throw February 24th and today the single "4Es' J & Oddness" was made available for pre-album listening. *Headnod Suite* is Riggins' second solo album and there are 29 songs and a guest appearance from Jessica Care Moore. On the new album, Riggins said, "I wanted to explore the power of interludes and marrying different styles and harmony together." Samples of each song from *Headnod Suite* can be heard at the [Stones Throw site](#).
