

Bishop Nehru: Ridaya Official Video

[youtube id="3WJAGtYDGPw"] Bishop Nehru's video for his new song "Ridaya" features him outside of a dry cleaning store at night. Nehru's fans are hoping that 2017 will be his breakout year after being supported by Nas and recording an album with MF Doom. New York is still waiting for its next big rap star and purists are betting on Nehru and possibly Dave East or Young M.A. to fill the role.
