

Dave East: It Was Written Official Video

[youtube id="GsnKF8P_77Q"] Dave East releases another video from his [Kairi Chanel](#) mixtape with the visual for "It Was Written." East's fans are waiting patiently for him to have a breakthrough single to take him into the mainstream. The Harlem rapper used his neighborhood for the video directed by Joe Puma. East will tour Europe in March and April and will see his full-length album released in 2017 on Def Jam.
